Local Area

Bédar's Arabic past is alive everywhere:-in the narrow, winding streets built into the natural shape of the ground; the limestone houses of all shapes and sizes with tiled roofs, the stepped lowlands irrigated from natural springs, the old Moorish estates scattered across the countryside and the down-to-earth townspeople that are so welcoming to visitors. All this makes for the attraction and fascination of Bedar. No wonder so many people from around the world have chosen to take up residence here. Resident actors, musicians, intellectuals and visual artists give rise to shows, exhibitions and other cultural events. These activities sometimes take place in a stone amphitheatre near the fountain of Bedarin, which preserves a traditional public washing place.

The towns of Mojácar and Garrucha with their beautiful sandy beaches are within just 20 minutes drive and the local town of Turre just 10 minutes by car. There are 5 quality golf courses in a short driving distance from Bédar and it's satellite villages of El Dinar, Tres Amigos, Serona, Bedarin and many more.
