

## 2 slaapkamer Villa Te koop in Torrevieja, Alicante

**154.000€**

This isn't one of those "quick-fix" homes This one was renovated properly As if it were for yourself No shortcuts No rush No nonsense And you feel it the moment you walk in It's a place where you don't have to do a thing Just breathe, sit back, and think: "finally" You have your own outdoor space to enjoy your morning coffee in peace Read a book, share a meal, plant something, lie in the sun... do whatever you want It's your space You sleep well here You live better Because you don't buy a home for the floor tiles or fancy appliances (though, yes, it has all that too) You buy it because you're tired of not having a place that really feels like yours And this one does Close to the park Quiet Sunny With that rare feeling that this time... you got it right
