

3 slaapkamer Villa Te koop in Los Alcazares, Murcia

489.900€

Residential complex featuring semi-detached and independent villas, situated opposite Serena Golf in Los Alcázares. These villas are designed on a single level, offering 3 bedrooms and 2 or 3 bathrooms, with layouts that maximize natural light and ventilation. The open-plan kitchen seamlessly integrates with the living area, creating a spacious and luminous environment. Each home includes a garden with a swimming pool and an enclosed garage. Depending on the model, some villas also feature a private solarium. Alejandra's villas come with porcelain floors, a fully furnished kitchen with appliances, ducted air conditioning, aluminum windows with motorized blinds and sun protection, and LED lighting, among other features.
