3 slaapkamer Villa Te koop in Orihuela Costa, Alicante

260.000€

This stylish and spacious end-unit townhouse is located in the popular La Florida area of Orihuela Costa. Built in 2001, this two-story home offers room layouts and amenities designed to meet the needs of both families and couples. The home features three bedrooms—one on the ground floor and two upstairs—as well as two bathrooms, one on each floor.

The ground floor has been updated in a modern Scandinavian style: light marble tiles on the floors and a striking open-plan kitchen create a light and airy ambiance that perfectly complements the home's overall look. The glazed, air-conditioned terrace by the entrance serves as an additional year-round living space and is currently set up as a dining area. The south-facing solarium on the upper floor is an ideal spot to enjoy warm days and the sunshine.
