

5 slaapkamer Landhuis Te koop in Ronda, Málaga

490.000€

Just outside Ronda in a rural setting off the road to Campillos lies this stunning finca set within 7,000 square metres of olive groves with 5 bedrooms, a fabulous double height sitting room and a swimming pool. The property is superbly finished throughout and features two huge terraces overlooking the surrounding hills. Although very private, the finca is not at all remote being just 5 - 10 minutes' drive to the centre of Ronda and under an hour to Malaga airport. The entrance opens onto a vestibule which in turn leads into the sitting room, dining room and kitchen. The sitting area reaches to the beamed ceiling and features a wood burner which the owner tells me heats the entire house. The kitchen is very spacious and modern with an island for work space and additional dining. The property features two wings accessed from the ground floor each of which comprises a dressing area and two bedrooms. One of the wings also has a spacious and modern bathroom. Stairs lead to the first floor with a large master suite which has a further spacious bathroom, a stunning beamed ceiling and a door leading to the first of the terraces overlooking the distant hills. A further door off the landing leads to the second terrace which overlooks the swimming pool and which also has a laundry room. The land (completely fenced and gated) is all planted with mature olive trees, there is a well for water, irrigation and for the pool which is approximately 12 metres by 5 metres. This property is ready to move into and would make a superb family home. Amenities: swimming pool. Lot Area: 7000 sq.m. Floor Area: 320 sq.m. Bedrooms: 5 Bathrooms: 2
