

2 slaapkamer Landhuis Te koop in Albuñuelas, Granada

150.000€

Part of our exclusive collection.

Imagine living in the mountains, with forests as far as the eye can see, your own idyllic retreat where nature surrounds you and all you can hear are the songs of birds and the wind rustling the leaves on the trees. If this is what you are searching for, a unique way of living yet with villages and towns a mere 15 minutes away then you may have just found your dream home. This Finca is set in nature and is just above Albuñuelas with over 90,000 sqm of Olive groves and a 140sqm building with well water access.

Access to the property is through a well maintained track, no steep inclines so no need for off road vehicles. The farm is focused on olive production and comprises of multiple plots, however if you are just looking to find your own piece of tranquility then the main building and surrounding land is fenced and secure, so a great place to bring up children or create a homestead and have animals and grow your own produce.

The building is unregistered but can obtain a DAFO, along with the wells that can be registered to supply drinking water to the property.

This is a location for those wanting to live full time in the countryside and enjoy nature and peace. What are you waiting for, get in touch to start living your dream.
