405.000€

An exclusive residential complex of 87 ready-to-move-in townhouses, located in the western area of Estepona, next to the new High-Resolution Hospital and front line to the golf course. This area, currently undergoing strong urban development, is becoming one of the most prestigious and promising residential destinations on the Costa del Sol.

The homes, distributed over two floors plus a basement, feature three bedrooms and two bathrooms, spacious private terraces, and in some cases, a solarium with stunning sea and golf views. Designed in a modern style inspired by Mediterranean architecture, they offer bright interiors, marble floors, double-glazed windows, electric shutters, and a hydromassage bathtub for maximum comfort and wellbeing.

The community includes exclusive common areas such as indoor and outdoor swimming pools, a spa and gym, as well as redesigned gardens that provide harmony and serenity.
