

3 slaapkamer Villa Te koop in La Romana, Alicante

329.999€

Location, Location, Location! A rare opportunity to purchase a beautifully presented detached villa just a 5-minute walk from the charming village of La Romana, yet surrounded by breathtaking mountain and valley views. This spacious property offers 3 large bedrooms – the master with ensuite and a second with Jack & Jill bathroom access – along with a bright lounge, separate kitchen, and a fabulous glazed sun lounge overlooking the landscaped gardens and private pool. The swimming pool (11.5m x 5.5m, 2.4m deep at the centre) is complemented by extensive sun terraces, multiple lounge areas, a sunken seating area, and mature gardens including a private olive grove. Property Features: Entirely fenced plot with gated driveway. Swimming pool with new pump & filter (2024). Oil-fired radiator heating throughout. Water mains connection, storage tank & filtration system. 10 Canadian Solar 465W panels (installed May 2025) with Fox Esse T6000 inverter. Energy-efficient with very low running costs. Enclosed utility room, 2 storage sheds, and irrigation system. Drainage system around the house, pool & terraces. Beautifully planted gardens with 90 yuccas for added privacy. Rainwater pipes connected to storage tank. Multiple outdoor lounging & dining spaces. Location: Just 900 metres from La Romana's centre, with excellent access, while maintaining peace, privacy, and stunning countryside surroundings. This is a gem of a property, combining modern comforts with traditional charm – ideal as a permanent home or luxury retreat.
