

3 slaapkamer Landhuis Te koop in Alora, Málaga

349.000€

Amazing property with panoramic views of Alora and its castle. Beautiful and spacious house with lot of outdoor spaces and an adaptable annexe that could be converted in a guest accommodation. Location is very good, only 8 minutes to the town via access not a bad track. You enter the property through a spacious hallway and on the right hand side you find a huge bedroom with en suite bathroom. The kitchen is well equipped with appliances and cabinets, next to the kitchen you will find a utility room and a guest toilet. From here you have access to a large tiled area with wooden fencing. This area leads to a lower level, a well planted area that the owners currently use for their hot-tub overlooking the valley. It also benefits from a spacious living room with wood-burning stove and air conditioning, ideal for winter and summer. The conservatory offers a nice spot overlooking the Arabic castle, which is beautifully lit at night. There are also two more double bedrooms and a shared bathroom with shower. Outside, you will find a covered carport suitable for up to three cars. The property also includes a versatile outbuilding with electricity and access to a water connection, a perfect opportunity to convert into independent guest accommodation or a hobby room, as it is included in the preAFO. There is also space to build a swimming pool. The water is provided from its own well and it has electricity connection. The owners are in the process to obtain the AFO. A great opportunity for investment. ref:APN7497
