Living in Macisvenda Macisvenda is located in the Eastern Region of Murcia, on the border with the Valencian Community. The peculiarity of its semi-desert climate offers a landscape of oasis in which the rambla palm tree stands out haughtily. The source of the river Chicamo gives this municipality some spectacular landscapes that will transport the visitor to film scenes, where he can discover from very arid areas where the loamy lands are capriciously sculpted by erosion, to rich fertile orchards, natural water sources, hundreds of hectares with millenary olive trees and mountains.
