

3 slaapkamer Gezinswoning Te koop in Los Balcones, Alicante

289.000€

This beautiful property is new to the market and available now for viewings. You enter the garden via a secure gate. The garden is very low maintenance with newly installed fencing and off road parking. There is a heated pool with a retractable glass cover. The pool has a counter current swimming machine installed. The property interior is very stylish and presented immaculately. The lounge diner is open with a modern, fully equipped kitchen and central island. There are 2 double bedrooms and a family bathroom on this level. There is a back door which leads to a utility area and an infrared sauna. A modern staircase is a great feature in the lounge and leads to the master bedroom and en-suite bathroom on the first floor. The views to the salt lakes from the bedroom are incredible. Doors in this bedroom give access to a good sized terrace overlooking the garden and pool. From this level you can enjoy the spectacular views of the salt lakes and surrounding area. Los Balcones is a sought after location on the edge of Torrevieja. You can walk to many bars and restaurants, a supermarket. Hospital and there is fantastic bus service. The original property was demolished and rebuilt in 2019 so all of the plumbing and electrics are up to date. This really is a must see property and we highly recommend a viewing.
