

Land Te koop in San Pedro del Pinatar, Murcia

110.000€

A magnificent urbanizable plot of 425 m² for sale in one of the most promising areas of San Pedro del Pinatar: Las Beatas. A privileged location that combines peace, convenience, and connection to everything you need to live or invest successfully. This plot is ideal both for building the home of your dreams and for developing a residential project, thanks to its excellent surroundings and nearby services. It has water access, is located in a high-traffic area, and is surrounded by all kinds of amenities: buses, supermarkets, parks, schools, medical centers, hospitals, shopping centers, and much more. Its proximity to the coast makes it a perfect option for those seeking quality of life and well-being. With open views and a central location, this plot represents a unique opportunity to invest in a growing area, well connected, and with high added value. ? A plot with soul, in a place where the future begins today.
