Looking for a spacious, energy-efficient villa in a peaceful countryside setting just minutes from the village? Located in the heart of the Hondón Valley, only 2km from the charming village of Hondón de las Nieves, this modern country villa combines traditional Spanish style with high-quality modern finishes and excellent energy performance.

Built on a flat 11,280m² plot (around 75% fenced), the land is divided into a lower field, an upper field, and a central flat area where the villa stands proudly.

From here, patio doors open onto a wide wrap-around porch — perfect for breakfast, long lunches, or evening gatherings with family and friends while enjoying views of the valley.
