

Land Te koop in Salinas, Alicante

55.000€

Rustic plot with panoramic views – Salinas (Alicante)

For sale: beautifully located rural plot of 16,301 m² in the Salinas area, just a short drive from the village of Sax. An ideal location for those seeking peace, nature, and the opportunity to build their own home in the heart of authentic rural Spain.

The plot has sufficient size to obtain a building permit in accordance with the current municipal building regulations. Water and electricity connections are nearby; if desired, this can be further verified for absolute certainty.

From the land, you can enjoy stunning 360° views over the surrounding mountains and open countryside – a perfect spot for those who value privacy, tranquility, and natural beauty.

About Salinas

Salinas is a charming and traditional Spanish village in the inland area of Alicante province, just a few minutes from Sax and around 40 minutes from the coast.

The village offers all basic amenities such as shops, restaurants, a medical center, and a pleasant village square. The area is known for its vineyards, almond groves, and the Sierra de Salinas natural park, which offers beautiful walking and cycling routes.
