Building Plot with Panoramic Views in Barbarroja

Discover this beautiful 11,111 m² building plot in Barbarroja, municipality of Orihuela. The location is perfectly positioned between charming villages such as Hondón de las Nieves, Hondón de los Frailes, Pinoso and Aspe, and just a short drive from Murcia – ideal for dining out, shopping, or simply enjoying the Spanish lifestyle. The coast is reachable in approximately 48 minutes.

The plot offers breathtaking panoramic views over one of the largest almond plantations in the area, with impressive mountain scenery in the background. There are also several beautiful olive trees on the land, adding character and a touch of Mediterranean charm.

Preliminary groundwork has already been carried out, for example for a water reservoir or septic tank. In addition, there is a charming natural stone wall, perfect to integrate into a modern new build in Mediterranean style.

Water and electricity are currently being requested, to confirm the possibility of connection. Thanks to the generous size of the plot, there is ample building allowance to create your dream home. Moreover, an architectural design is already available that can be used, or you can choose to create your own.

This plot is a unique opportunity for those seeking peace, space, and stunning views, with all amenities within easy reach.
