370.920€

Located in the charming Ciudad Quesada, these low-bungalows offer a unique opportunity to enjoy a tranquil and well-connected environment. With a total of five properties available, each is designed to maximize comfort and functionality. The proximity to the sea, just 5 km away, allows for the enjoyment of sea breezes and sunny days at the beach. This privileged location combines the serenity of a residential area with the convenience of having services and recreational activities nearby.

OUTDOOR AREAThe outdoor areas of these low-bungalows are designed to offer exceptional outdoor living space. Each property features a private garden, ideal for relaxing moments or outdoor activities. Additionally, the terraces provide extra space to enjoy the Mediterranean climate, whether sunbathing or dining al fresco. The community also features landscaped areas that add a touch of greenery and freshness to the environment, creating a welcoming and natural atmosphere.

INDOOR AREAThe interior of the low-bungalows is carefully designed to offer comfort and style. With porcelain stoneware floors, the homes combine durability and modern aesthetics. Each bungalow includes two bedrooms and two bathrooms, providing adequate space for families or couples. Built-in wardrobes offer efficient storage solutions, while integrated appliances ensure the kitchen is ready for use from day one. The layout includes a garage, adding an additional level of convenience for residents.

COMMON AREAThe common areas of this residential complex are designed to enhance the quality of life for its residents. Residents can enjoy a communal pool, perfect for cooling off during warm summer days. Additionally, the communal garage offers a practical solution for parking, ensuring there is always space available for residents' vehicles. The common landscaped areas provide additional space for recreation and enjoyment of the outdoors.
