499.900€

New development in Torrevieja that perfectly embodies the new Mediterranean lifestyle: modern, comfortable, and designed to fully enjoy the climate and surroundings year-round. A residential complex designed for those seeking more than just a home and desiring a space to combine relaxation, leisure, and well-being in one of the most attractive coastal cities on the Costa Blanca. The environment and lifestyle of Torrevieja is renowned for its mild climate, boasting over 300 days of sunshine a year, pleasant temperatures, and a coastal atmosphere that encourages spending much of one's time outdoors. Its fine sandy beaches, promenade, and leisure areas have made the city a benchmark for both national and international residents seeking a high quality of life by the sea. The residential complex blends seamlessly into this privileged setting, offering a location that allows residents to enjoy proximity to the beaches, shopping areas, and all the amenities necessary for daily life. The combination of modern infrastructure, leisure activities, and a safe, established environment makes this development a very attractive option for year-round living or as a second home.

Modern and Private Residential Complex

This contemporary development is designed as a private space where every detail has been carefully considered to offer comfort and a modern aesthetic. The buildings feature clean lines and a functional design, with a layout that maximizes natural light, interior views of the complex, and a sense of spaciousness in the common areas. Controlled access enhances the peace of mind of residents, who find within the complex an orderly and pleasant environment, away from direct traffic but close to major transportation routes. This combination of privacy and connection to the city meets the needs of those seeking a practical home without sacrificing a well-maintained setting.

Common Areas with Pool and Jacuzzi

One of the highlights of the residential complex is its pool area, designed as a true meeting place and relaxation spot for residents. The design of the pool and its surroundings invites both swimming and relaxing in the sunbathing areas, taking advantage of Torrevieja's exceptional climate practically year-round. The jacuzzi within the communal areas adds an extra level of well-being, creating a true outdoor spa-like space where you can disconnect, relieve stress, and enjoy moments of relaxation. This combination of pool and jacuzzi transforms the complex into a small private oasis, perfect for
