

5 slaapkamer Landhuis Te koop in Alora, Málaga

1.500.000€

A wonderful finca complex in a country setting at las mellizas between Alora and the lakes at El Chorro. The property has been run as an EcoSpa and health and well-being centre has been renovated and fitted to a very high standard. There are three buildings, the main house of more than 150sqm is registered as five star rural accommodation and has 3 en-suite bedrooms with private terraces, lounge, dining room, massage room and sauna. All rooms are air conditioned and the suites and lounge have televisions and internet. There is a second house of 76sqm with one bedroom, lounge, kitchen, bathroom and terraces which is currently used as accommodation for a live in manager. The third structure is at the side of the pretty swimming pool area and is a fully equipped beautiful one bedroom apartment. The property also has a tennis court and facilities for bicycle rides and clay shoots and a large parking area. There is a large corral area for horses and stabling etc. The property is surrounded by 50,000sqm of good land, 40,000sqm of which is planted with productive olives. The property is now a well established business with an 8 to 10 month letting season and attracts clients from all over Europe and further afield. An exceptional property and business. All mains services are connected. ref:APN5978
