597.000€

This has potential for use as a Rural B&B Wellness/ Yoga centre to generate an income. Subject to obtaining the relevant permissions and licences.

Set in a peaceful inland enclave on the edge of the Town Coín inland from the Costa del Sol, this fully independent finca-cortijo offers a rare combination of absolute privacy, natural beauty and excellent accessibility. With no direct neighbours and panoramic mountain views, the property is perfectly suited to buyers seeking a lifestyle immersed in nature while remaining close to town and coast.

The villa sits on a generous 3,700 m² plot with a mature, beautifully landscaped garden featuring olive trees and enjoying sun throughout the day. Built over three levels with a total constructed area of 233 m², the main house occupies the two upper floors and currently comprises two spacious bedrooms and bathrooms, designed with comfort and wellbeing in mind. The south-facing orientation enhances the sense of light and connection to the surrounding countryside.

On the lower level, with its own private entrance, is a self-contained guest apartment that includes a kitchen and living area. At present it offers one bedroom, with ample space to create an additional bedroom if desired, making it ideal for guest accommodation or rental income.

A unique highlight of the property is the dedicated Temazcal space, adapted for hot yoga, meditation or personal wellness practices. There is also sufficient space within the plot to construct a swimming pool, allowing further enhancement of the outdoor lifestyle.
