If you've been searching for the perfect blend of rural tranquillity and town convenience, this could be your dream property. Nestled on 6,000m² of land filled with mature trees, this home offers a peaceful retreat while being within walking distance of local amenities.

Cortijo Miel features a bright and inviting layout: a spacious living room, a luminous kitchen, a main bedroom with an ensuite bathroom, two additional bedrooms, and family bathroom. It's designed for comfortable day-to-day living with plenty of natural light and countryside charm.

But it doesn't just stop there, downstairs, you'll find a separate guest area with its own living space and ensuite—ideal for hosting family and friends or potentially creating an independent apartment.

Outside, enjoy a dip in the private swimming pool, relax in the shaded terrace and patio, or unwind beside the fountain area while soaking in the southern Spanish sunshine.

Whether you want to grow your own fruits and vegetables or simply enjoy the quiet surroundings, Cortijo Miel delivers the lifestyle many dream of—but few find so close to town.
