House with private pool and views of the saltlake in El Chaparral, Torrevieja I present to you a home that has EVERYTHING to enjoy the sun and tranquility all year round. This fantastic townhouse in El Chaparral combines space, comfort, and details that make a difference. The house has 3 spacious bedrooms and 3 full bathrooms, perfect for living all year or hosting family and friends without space issues. The living room is cozy and full of charm thanks to its fireplace, ideal for cooler winter nights. It also has central heating, more appreciated than many realize in this area. The main kitchen is functional and bright, but here's a bonus I love: there is an additional kitchen in the basement, perfect for celebrations, guests, or even creating an independent area. The exterior is where this property truly shines ? You'll enjoy a large private garden with plenty of space to relax, sunbathe, or create your own chill-out corner. There's also a private pool, so you can cool off whenever you want without leaving home, and parking within the plot. And as the cherry on top: views of the salt flats, offering spectacular sunsets and a rare sense of space and tranquility. A fully equipped property in a highly sought-after residential area, perfect if you're looking for space, privacy, and quality of life on the Costa Blanca. ? El Chaparral – Torrevieja ?
