

2 slaapkamer Appartement Te koop in Eivissa-Sant Antoni de Portmany (Carretera), Hasta Km.3, Ibiza

519.750€

Promotion in construction with delivery planned in 2027. Currently only two first floor units with private solarium are available.

The houses have 67 m2 built interiors distributed in living room/dining room with integrated kitchen, two bedrooms and two bathrooms, one of them en suite.

They also have a private terrace and solarium on deck of approximately 48 m2 (according to unit), which provides an additional exterior space with greater privacy and better use throughout the year.

They include parking space and storage room. The residential complex offers a communal pool and landscaped areas in a well-connected residential environment.

One of the latest opportunities to acquire new construction housing in this promotion, ideal both as usual residence and investment in Ibiza.
