

1 slaapkamer Landhuis Te koop in Abanilla, Murcia

75.900€

In need of total reform and set within a peaceful rural location, this expansive 18,118 m² buildable plot offers a fantastic opportunity to create your dream home surrounded by nature. With generous space, open views and excellent potential, it provides the perfect setting for those seeking privacy, tranquillity and room to design a bespoke lifestyle in the Spanish countryside.

The property includes a 114 m² warehouse, ideal for agricultural use, storage, workshop space, or as practical support during the construction of a future home. The land has the possibility to connect to mains water and electricity, making it easier to develop a comfortable residence with all modern conveniences.

Thanks to the size of the plot, there is ample scope not only to build a substantial home but also to design landscaped gardens, a swimming pool, orchards, recreational areas or equestrian facilities, depending on your vision. The good access and attractive natural surroundings create a perfect balance between countryside living and accessibility.

This is an excellent opportunity to develop a personal or family project in a scenic environment with strong long-term potential.

*We have included some mock up images to show how the property could look once renovated.
