The front of the villa is low maintenance with a seating area and carport with an electric entrance gate. Now is the time to buy a beautifully updated home in a peaceful, natural setting perfect as a full-time residence, holiday retreat, or investment. UPDATE - Peraleja Golf Course, clubhouse and Piano Bar are currently closed, however it has been purchased by new investors and is on the pathway to a remarkable transformation, with renovations already underway on many of the unfinished properties. The golf course is expected to be well on the way to recovery towards the end of 2025 and may be in a condition ready for play in the first part of 2026. The new owners are also in active discussions with a number of interested parties for the reopening of the Clubhouse and Piano Bar. As part of the overall investment plan, the new owners now own much of the open area extending beyond the boundary of the golf course and are actively evaluating the opportunities for using that land as future recreational space. This is a great opportunity to buy a fantastic golf villa in the early stages of the redevelopment and secure it before the prices inevitably rise when the golf course, Clubhouse and Piano Bar reopen.
