130.000€

This is a fabulous opportunity to establish a Dance School business in a ready-made unit. There is one massive soundproofed dance studio that has dividing doors in order to make two generously sized studios, and even the partitioning is soundproofed. There are changing rooms for females and males, and also female and male toilets and two waiting/reception rooms as well as another larger room that could be a third Dance Class. The owners are prepared to listen to Rent to Buy options providing they are backed up with business plans.
