Mil Palmeras is a district of the municipality of Pilar de la Horadada, that is located in Orihuela Costa, the province of Alicante, Costa Blanca, in the Valencian Community, Spain. It is located in the Vega Baja region, bordering the Region of Murcia, being the most southern municipality in the province of Alicante.

Mil Palmeras is famous for its three beaches, all of them with the Blue Flag and rated with the "Q" for Quality. Several beach bars and a huge offer of water sports will delight the whole family, since it has a jet ski rental service, parasailing, multiple activities for children and even a space reserved for people with reduced mobility .

Among its places of interest, it is worth mentioning the proximity of the Lo Romero Golf Course, which is only a 10 minute drive away, and which, with 18 holes, is rated as one of the 10 best golf courses in Spain. It opened in 2008 and is relatively new to the Costa Blanca golf circuit. Among its particularities is the famous 18th hole, "the Island of Golf" in the east of Spain, so named since its opening because it is precisely on the 18th green, which is practically surrounded by water, where the player has an even greater feeling of depending only on himself to face the last putt. The sensation of living your personal adventure in a silent space, enjoying nature, isolated from the rest of the world. A sensation that starts from the moment you step on the first tee.
