

3 slaapkamer Gezinswoning Te koop in Hondon de los Frailes, Alicante

59.000€

A unique opportunity to acquire a house in the heart of Hondón de los Frailes for just €59,000. This property boasts a constructed area of 137 m² and features three double bedrooms, making it an ideal space for families or as an investment. Although it requires renovation, its potential is undeniable; you can design your home to suit your tastes and needs. It also has two full bathrooms for added convenience. The house is entirely exterior-facing and offers access to a private terrace where you can enjoy the area's characteristic Mediterranean climate. Its central location puts you close to schools and other essential services: local shops, restaurants, and public transport are easily accessible. Don't miss this opportunity to transform this property into the perfect home you've always dreamed of.
