Casa Valley – A Beautiful 4 bed, 2 bath home with private pool set in the Cantoria valleys.

This stunning 4 bed, two bath country house can be found through the peaceful valley of Huerta de Judas in Cantoria, the landscape opens into a scene of olive groves, mountains, and endless sky. Just a few minutes from the vibrant town of Albox.

From the very first step inside, the house feels like a retreat. Wooden beams, soft lighting, and carefully chosen details create a warm, boutique-style atmosphere - a home that embraces you instantly. Although it forms part of a traditional Andalusian structure and is semi-detached, the clever positioning, lush vegetation, and open views give a remarkable sense of seclusion. Here, privacy is not just a feature, it is a feeling.

With 190 m² built over two floors, the space unfolds naturally. Upstairs, the four bedrooms wake to beautiful views of the surrounding countryside - imagine opening your windows to fresh mountain air and the gentle colours of sunrise. The main family bathroom serves this floor, while a second bathroom on the ground level is perfect after a swim or time spent in the garden.

The heart of the home is the cosy living-dining room, where exposed beams and warm tones invite long dinners with friends, quiet winter evenings by the radiator heating, and relaxed summer days cooled by the soft movement of the ceiling fans. Just beside the rustic kitchen, full of character and practicality, a charming sitting area becomes the perfect corner for morning coffee, a glass of wine, or a good book.

Step outside and the true magic of this property reveals itself
