

3 slaapkamer Villa Te koop in Mosa Trajectum, Murcia

442.000€

MGP New Homes are excited to offer for sale these stunning ENERGY EFFICIENT three bedroom, two bathroom villas which are situated on the desirable Altaona Golf and Village Resort. These single storey villas are built using the innovative SISMO building system and the walls and ceilings are thermal insulated. They have Radiant floor technology and acoustic insulation. The roof is covered with plants which will help insulate the house and they have a rainwater collection system which is used to drip-irrigate the gardens. The villas come with a photovoltaic panel for hot water and as an extra you could go full solar. The layout of the villas have been designed using Feng Shui so they flow beautifully. They have a large open plan living room with a modern kitchen, a utility room and separate wc. The three bedrooms have access through sliding doors to the garden and the 8m x 4m pool. The master bedroom is ensuite and the further two bedrooms have a Jack and Jill shower room. There is off street parking and the properties come with vented AC. The community fees will also include garden maintenance and pool cleaning. Contact us today to arrange to view and for more information on the high specs of these properties.
