

3 slaapkamer Villa Te koop in Benissa, Alicante

1.350.000€

A true hidden GEM near the white sandy beaches that combines comfort and elegance with a Mediterranean touch and the most spectacular panoramic views. From the living room you have a view of the sea and the Peñón de Ifach, which invites you to rest and relaxation. Every corner has been designed with precision: precious materials, a neutral and bright colour palette and details that enrich everyday life. The sleek and functional kitchen, the intimate bedrooms and the luxurious bathrooms with bronze details: every room exudes contemporary refinement. La Fustera offers the perfect balance between privacy and connection with the environment: nature, sea breeze and all amenities just around the corner.
