499.000€

A warm welcome to this exclusive single-storey villa with a private roof terrace in sought-after La Zenia – a home that combines stylish design, high comfort and an unbeatable location close to the sea and the pulse of the city.

The property, built in 2015, offers a modern and well-planned interior with three generous bedrooms and two elegantly designed bathrooms. The home has recently been updated with carefully selected quality materials and tasteful details that create a bright, harmonious and exclusive atmosphere throughout. Here, function and aesthetics meet in a floor plan that is equally suitable for family life and social occasions.
