

2 slaapkamer Appartement Te koop in Estepona, Málaga

497.000€

Discover a new way of living on Estepona's vibrant west side. This exclusive low-density development offers 78 beautifully designed 1 to 4 bedroom apartments where light, nature, and elegance come together. Surrounded by lush greenery, each home features soft, natural interiors and floor-to-ceiling glass doors that seamlessly connect indoor and outdoor spaces. Sculptural terraces mirror the coast's curves, while thoughtful design ensures privacy, sunlight, and panoramic views. Penthouses elevate the experience with rooftop pools, sea views, and optional outdoor kitchens, perfect for entertaining under the Mediterranean sky. With discreet resort-style amenities like a spa, fitness suite, and coworking space all integrated into the landscape, this is more than a home—it's a lifestyle.** Contact us now for up to date availability and the full brochure **
