

5 soverom Villa til salgs i Rio Real, Málaga

1.280.000€

Beautiful detached luxury villa located in the centre of Marbella, close to the stunning sandy beaches and all general amenities. This naturally bright and spacious property is set within a quiet community, only 1.5km (15 minutes walk) to a stunning beach. The villa is set on a completely flat and extremely private plot of just under 2,300m², with a large swimming pool and an enormous flat private garden. The villa briefly features; four bedrooms, each with reformed bathrooms, a large L-shaped lounge with access to a semi-circular terrace with stunning views over the garden and swimming pool, and a fully fitted kitchen with utility room. Downstairs, the villa offers a separate studio apartment with the same stunning garden and swimming pool views and a bedroom. To add to this unique villa, you have a separate property with its own private driveway and access, featuring two double bedrooms, kitchen, lounge, reformed bathroom and an incredible outdoor space. If you are looking for a detached villa with two homes in one, located close to the beach and all general amenities in Marbella this is an incredible opportunity. A must view property!
