

7 soverom Villa til salgs i Villanueva del Rio y Minas, Sevilla

230.000€

Situated opposite the church this magnificent property is just waiting for you to give it your finishing touch. With its 7 bedrooms and 4 bathrooms, this building of character would be ideal to make it a guest house. Very luminous with period floors, very high ceilings that will allow you to design beautiful spaces with character, singular and full of charm and will lend itself to a majestic decoration. This is a house with a unique style and a panoramic view of the whole village.

In a very pleasant Sevillian town with a history that will surprise you. Ideal for hiking, excursions and with a very interesting historical-artistic complex, from the constructions of Anibal Gonzalez, creator of the Plaza de España to the recent discovery of some Roman remains.

The house is ideal for tourism, weekends or simply to enjoy the tranquillity of life in a city all year round.

The village of Villanueva del Rio y Minas has a direct rail link to Seville.

This is a house that must be visited and discovered for all its little and big details.

Let yourself be seduced by this opportunity to acquire a property in Andalusia.
