

Annen til salgs i Crevillente, Alicante

800.000€

Solar building sits on 330 m², distributed over 3 floors making the build size 899m².

Currently on the ground floor is the commercial premises.

The 1st floor is a single house with a large terrace for private use with covered part & another open.

The 2nd floor is divided into 2 houses - 1 of them is on the corner with balconies & the other has a private patio & penthouse area with a terrace.

It is a great investment to promote homes by investing very little in updating it!

It is in one of the best areas of Crevillente, both for business and to live, given that it is very close to all services.

Do not miss this opportunity and make an appointment with us.
