

5 soverom Villa til salgs i Benalmadena, Málaga  
2.050.000€

Incredible villa located in La Capellanía, Benalmádena. It consists of four large floors, constituting a total of 527 meters built on a plot of 1000 square meters. We currently have two villas in the area in question, both equal in terms of how luxurious they are. The area is the perfect fusion between tranquility and proximity to all those services that are so essential to us today. With the completion of the work so close, do not hesitate to request information about it.
