

2 soverom Leilighet til salgs i Denia, Alicante

269.000€

2 bedroom penthouse apartments for sale in Denia. The development is located a 20 minute flat walk from the bustling town of Denia, which offers an abundance of shops, restaurants and bars as well as two marinas.

Two bedroom penthouse properties start from €269.000 and inside you will find 2 bedrooms, one bathroom, open plan living / dining room. These properties also come with a private roof solarium on the 3rd floor where you get sun all day. The solarium will come with artificial grass, outdoor shower, pergola for shade and an electric BBQ. The penthouses in Phase1 are key ready.

All apartments share the communal pools and gardens and there is a private parking space for each property.

First phase will be completed in May 2023 with the rest of the development being completed by November 2023
