

Land til salgs i La Marina, Alicante

125.000€

The location is perfect for this type of project, just off a quiet and private country road, but 2 minutes away from the main Elche/Rojales road and 7 minutes from the N332 coastal road and the beaches of La Marina. The urbanisation of La Marina is a short cycle ride or drive away and there you will find everything you need day to day, from restaurants and bars, to supermarkets, banks and other services. The regional airport of Alicante is also just 25 minutes away, so it is really very well located indeed. But, despite all these services and facilities being on your doorstep, the plot still retains a lot of privacy, especially with all of the neighbouring plots in the area being of an equal or even larger size. This plot in La Marina has an existing small ruined building which can be removed and, once you have decided on the plot and location, we can offer a full design, planning and construction service to assist you and we are more than happy to take you through your various options and explain fully the process of constructing in this area. We also have a variety of properties which we have already constructed, or which are in the process of being built, which we can view and which can further assist you decide on the style and layout of your new home. This really is a unique opportunity, the final plot in La Marina in this location and it offers the chance to design and build your own dream home in an ideal location. If you would like to view this unique area and speak to us about your options then please contact us for further information and to arrange an appointment.
