

## 4 soverom Rekkehus til salgs i Caudete, Albacete

**35.000€**

This sweet little terraced house in need of a reform could become a truly wonderful dwelling. It is located in a tranquil suburban part of Caudete - on a quiet plaza with plenty of greenery and views of the mountains surrounding the town.

The house has 3 bedrooms, a bathroom, kitchen with a utility room and a lounge with a fireplace downstairs. There is also an internal courtyard with doors leading to the house's own cave.

Upstairs there is plenty of space ready to be made into a master suite or additional bedrooms. With the windows to the front of the building this space would have some beautiful views of the surrounding area and the countryside.

The house's location is where plenty of scenic cycling and walking trails start going towards the picturesque Sierra de Santa Bárbara.

For someone looking for an easily manageable project at a bargain price this would be a great choice and the end product would be a charming and enjoyable residence in a serene and beautiful location.
