Close to the capital of the Region of Murcia, Fortuna is known for the richness of its springs. The water, scarce in this area, springs up strongly in Fortuna, giving rise to numerous fountains such as La Higuera or Los Baños, whose thermal baths were already known by the Romans, which have evolved to become an important Spa. The IberianRoman Sodales festivities complete the tourist offer and are held in August, recalling the visit that the Romans made every year to the thermal waters of Fortuna. Apart from its cultural and leisure richness, it also has a variety of services such as: Restaurants, supermarkets, pharmacies, medical centres, various shops, schools...
