

4 soverom Grottehuset til salgs i Marbella, Málaga

2.995.000€

This stunning, modern villa will be finished the first quarter of 2023

It is built to a high standard and in a Scandinavian style. The property is built on 2 levels, has 4 bedrooms and 4 bathrooms, a heated pool in the private garden as well as outdoor gym, cinema, spa and jacuzzi. The kitchen is equipped with gaggenau appliances and is open plan with the living room.

There is a sound system in the living room, heated pool area, gym, spa, cinema area and at the jacuzzi.

This is a house for indoor and outdoor living, luxurious and with a prime location.

The property is facing south-west, has pre installed security, underfloor heating in bathrooms, living room and the spa. The master bedroom has an extra outdoor bathtub as does the spa area.

Furniture are not included but a package deal is available for convenience.

The villa has a brilliant location, close to everything and much by walking distance. Centro Plaza and Puerto Banus are less than 5 minutes by car, walking distance to a supermarket and several restaurants.

In short, a stunning villa in a prime location. We are looking forward to hearing from you.
