Looking for a spacious apartment in the centre of Vera town?

Grupo Platinum Estates presents this charming second floor apartment with lift, located just a few steps away from the emblematic Plaza Mayor and the Town Hall. With a constructed area of 158m², this bright apartment is characterised by its southeast orientation, which guarantees exceptional natural light throughout the day.

Upon entering the property, you will be greeted by spacious and well-distributed spaces. The living room stands out for its generosity, providing a cosy and versatile atmosphere to enjoy with family and friends. The kitchen, fully equipped with high quality appliances, has direct access to the wonderful 36m² terrace. This terrace becomes a private outdoor oasis, ideal for relaxing, enjoying al fresco dining or simply taking in the panoramic views.

In addition, the terrace has 2 storage rooms, offering additional space for storage and organisation. This is especially convenient for those who value practicality and seek to make the most of every corner of their home.

The property has three double bedrooms, all of which are furnished and equipped with fitted wardrobes. In addition, the master bedroom has an ensuite bathroom, complete with bathtub.

In short, this property represents a unique opportunity in Vera pueblo. Its privileged location, its spaciousness, its exceptional terrace and its quality finishes make this flat an unbeatable option.
