

Land til salgs i Els Poblets, Alicante

349.000€

This flat plot, located only 300m from the sea and 1 km from Els Poblets village with all its excellent amenities, is being offered for commercial use only. It would be possible to construct for example a bar, restaurant, small hotel or any kind of commercial enterprise. The location is of interest as it's so near to the town, beach, residential and holiday properties, bus route to Denia and the surrounding area is already developed.
