The village was previously known as Los Martinez, and was founded by this family of woodcutters. The economy of the village is based on agriculture, livestock and wine production and also benefits from the marble industry.

The small village church, dedicated to the Virgen del Carmen, is situated in the village square along with 2 bar restaurants. The village fiesta is celebrated on July 16 in honor of the Virgen del Carmen. The cuisine of the people is typical Murcian and Valencian dishes, based on salads, snails, gazpacho, gachas migas and meat.
