Luxury, exclusivity and elegance

There are few developments as luxurious, elegant and exclusive as this, with such natural, well maintained surroundings. Designed in an avant-garde style with straight lines, light colours and wide-open spaces, it blends wonderfully in the natural beauty around it. That's why the green areas of our development are planted with local flora, respecting its natural appearance, as well as being energy efficient and consuming the minimum amount of water.

The Bolnou housing development has common areas to meet high expectations: chill-outs and relaxation areas, sports and activities, and even places to stroll. All in a gated development with a security gatehouse and access control.
