

4 soverom Leilighet til salgs i Alcantarilla, Murcia

85.000€

Apartment located in the Campoamor neighborhood in Alcantarilla, located on the second line of Calle Mayor and very close to all services.

The house is located on the corner of the building facing 2 streets offering plenty of natural light and ventilation.

This request has balconies (terraces) and gallery in the kitchen.

It is a very spacious house, with built-in wardrobes and wardrobes, with wide corridors.

It is located in a block with an elevator.

The house has an independent kitchen with a gallery, a large entrance hall with a large wardrobe, 1 full bathroom and 1 courtesy toilet, a large, very square living room with lots of light, 2 large double rooms and two single rooms.

The house needs some small reform, such as new exterior carpentry, since they are old single-glazed windows and an update to suit the client in the bathrooms and kitchen.

It is an ideal home to live in, with many possibilities and that gives you options to play with the magnificent distribution.
