

Land til salg i Cuevas Bajas, Málaga

20.000€

This is a great opportunity to buy an urban plot of 181m² in Cuevas Bajas, in the province of Malaga, Andalucia, Spain. In a natural area where you can breathe fresh air and surrounded by breath taking views of the mountains. A place to enjoy good olive oil and the gastronomy of its surroundings.

A place with many rustic and natural charms. Close to the centre of the town with all the services. Very well communicated just a few metres from the A7300 road. Close to natural sites such as the river Genil, Iznájar reservoir, Sierra Subbetica, caves and wild life, etc... Ideal for adventure activities such as rafting, climbing and hiking. Close to Antequera, Cordoba and less than 57 minutes from Malaga beach. Very quiet area. With town water, sewage drainage and electricity close by you can build your dream house, wooden or brick, for your own use or to rent as a rural house.
