Villa alhaurin el grande | reformed finca alhaurin el grande

Discover this stunning south-facing mountain-view villa, strategically situated between two major inland towns, yet only 25 minutes from the coast! This reformed country villa boasts urban classification, a self-contained guest apartment, and impressive equestrian facilities.

The property comprises a 3-bedroom, 2-bath main house plus a separate 2-bedroom, 1-bath self-contained guest apartment and a detached games room and bar. The total living accommodation covers 276m², while the entire constructed area, including all outbuildings, spans 1,753m². It occupies 10,773m² of completely flat, usable land (as per the Catastro).

The main bungalow-style detached house (228m²) features 3 double bedrooms and 2 bathrooms, including a newly refitted en-suite to the master bedroom. It also offers a spacious living room, a second lounge with access to the rear terrace, and an open-plan fully fitted luxury kitchen/dining room. Enjoy the early morning sun on the front porch.

Additionally, there is a self-contained guest apartment (48m²) with a lounge, 2 bedrooms, a kitchen, and a bathroom. Adjacent to the guest house, you'll find a bar/games room with a new pool table and a foldaway ping pong table.

The property boasts a massive 13x5m (66m²) swimming pool, complete with a covered 6-man Jacuzzi in one corner of the pool terrace. The manicured gardens and outdoor terrace areas have been meticulously maintained. A long palm tree-lined driveway with double automatic gates leads to the house.

This property is primarily an equestrian facility and holds the OCA license for 5 horses. It features a well built stable
