

8 soverom Rekkehus til salgs i Iznajar, Córdoba

147.000€

This Fantastic Townhouse with view on the lake in the center of Iznajar is a great opportunity to see. As we start from the lake view on the 3rd floor with a spacious terrace with what is now a big storage room. You can make a nice lounge area with a bbq. This house sits in the center of town. So, you are also on walking distance to all the amenities. Starting then from downstairs as you enter the house you have a big living space/ two Double bedrooms. A kitchen with a window that gives you a view on your large patio. On this Patio, you will find 3 cave spaces. Two for storage and on that's designed for the toilet. Continuing to the first floor you have 5 other good size bedrooms and a bathroom. Going then to the 3rd floor again. Here is where you probably going to spent most of your time with your glass of wine enjoying the Andulician sunsets on the lake.
