

7 soverom Villa til salgs i Chinorlet, Alicante  
65.995€

This house has a lot of character and has a new roof. Most of the renovation work needed is interior, but there is a spacious plot of land that can easily accommodate a private pool and outdoor dining area. The building is quite large, and there is another part that requires significant work, but it hasn't affected the selling price, so it's a bonus. Ideally, this property would have 6 or 7 bedrooms, although there is room for more, and it is located in the countryside, although it qualifies as a semi-detached house, and the views are spectacular. With over 300m<sup>2</sup> of construction and the small U-shaped property, the potential is incredible. Access to the property is perfect, and it's just a few minutes' walk from the village of Chinorlet, where there are two bars/restaurants, one of which is famous. There is a medical center and a mini-market, but the towns of Monovar and Pinoso are just a ten-minute drive away, where you'll find several supermarket options, etc. We have a large portfolio of properties in the Costa Blanca and Costa Calida areas, specialising in country properties, villas, fincas, building plots and design and build options in the Alicante and Murcia regions with a particular emphasis on Elda, Monovar, Pinoso, Sax, Villena, Aspe, Fortuna, Albacete and many more surrounding areas.
